QUALITY POLICY

Cirigliano is a company dedicated to the design, commercialization and production of fans and ventilation systems for a large industrial sector.

As from our management quality system we commit ourselves to:

- 1) Achieve the full customer's satisfaction as from reliable products that are highlighted by its efficiency.
- 2) Keep the continuous and fluent communication with customers according to their needs when ventilation solutions are designed as well as in the post-sale.
- 3) Apply the best productive practices for an efficient production supervision taking early decisions in order to optimize resources.
- 4) Execute our processes based on the continuous improvement encouraging the participation of all members of the organization when detecting opportunities.

Sergio Cirigliano
President
